WHAT MAKES WCHS?

Who can say what strange element gives William Campbell High School its unique personality? It is an evasive thing; no one can point to any one aspect of our life at William Campbell and say, "This is it," for it is a combination of many different things.

It is the patient understanding and expert helpfulness of the school officials, the administration, and the teachers.

It is the zeal with which the student undertakes his tasks. It is the pride he takes in achievement and the impetus he gains from defeat.

It is the friendly smiles he meets as he goes through the day and the many friendships which lighten his load.

It is the drive of the Generals as they seek to bring glory to the school and the warm feeling which comes to their fans when they do.

It is even the routine changing of classes and the familiar chats in the halls before school and at lunch.

It is the people of William Campbell High School.

PEOPLE! PEOPLE! PEOPLE!

Generals striving for the best,

In life's every trial and test.

Fighting for the blue and gray.

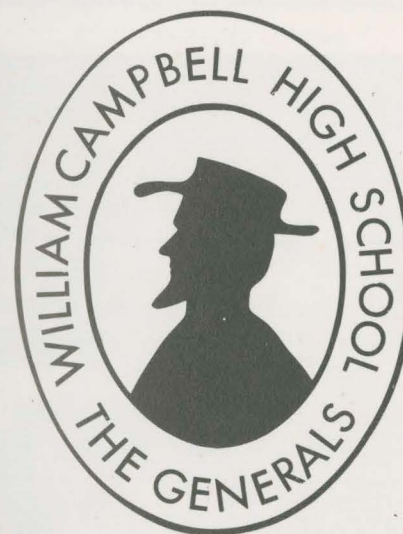

Students learning day by day.

Memories of the good times past,

Forever in our hearts will last.

"Greatest" in the things you do,

William Campbell, we'll be true.

PEOPLE

IN MEMORIAM

KYLE BAILEY GUTHRIE

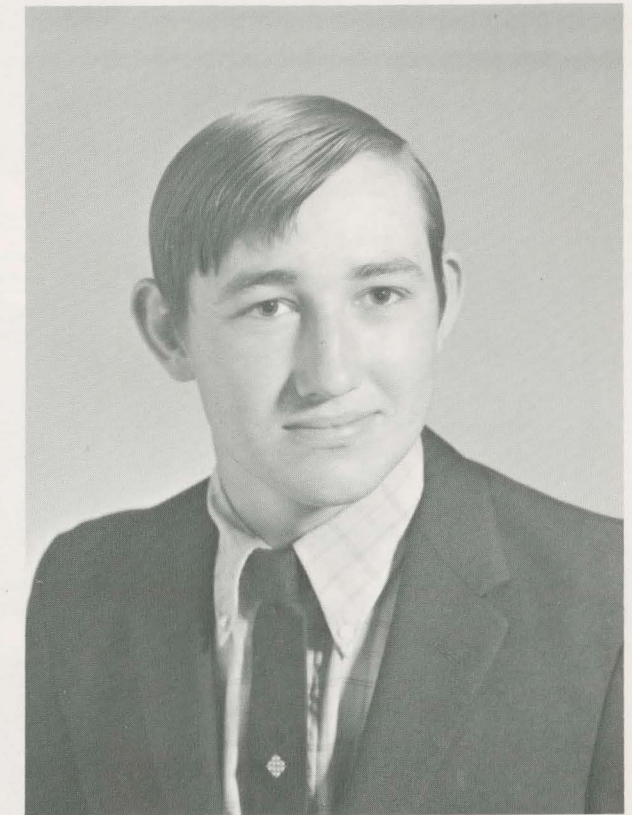

February 28, 1949 — March 16, 1968

"There is a destiny that makes us brothers
None goes his way alone.
All that we send into the lives of others
Comes back into our own."
Markham

Through the deaths of Kyle Guthrie and David Fincham, the students of William Campbell High School lost two valuable companions. Yet as the sadness and sorrow grew less intense, fond memories began to take their place.

Kyle and David were both interested in sports. Kyle played baseball each year he was in high school and football his last three years. David was on our varsity football team his junior year.

For a long time, many will miss the good nature of

JOHN DAVID FINCHAM

November 29, 1950 — May 24, 1968

"Life is the soul's nursery—its training place for the destinies of eternity." Thackeray

David and Kyle and the friendly greetings they always offered as they passed in the hall. Many will miss working beside them as well as sharing hours of fun with them.

Some believe that when a person dies something also dies within the heart of each of his friends; however, Kyle and David left their friends a legacy of happy memories as well as the priceless experience of having known them.

ADMINISTRATION

WHAT MAKES WCHS?

"Well, one of the first things you think of is the teachers. Of course, you have to have a building, and some rules and school books. But books are just things full of words—and words can be pretty dull and uninteresting unless you have an enthusiastic teacher. And rules without sympathetic administrators can be pretty impersonal. At WCHS the teachers not only instruct, but they also understand, counsel and encourage the students."

DENNIS B. RIDDLE
B.S., VPI
M.Ed. at U.Va.

MR. RIDDLE MAKES WCHS A WELL-RUN SCHOOL

Mr. Riddle's office is the co-ordinating point and "clearing house" for most of the school's activities, both scholastic and extracurricular. He serves as a sort of "Supreme Court" in disciplinary problems, and he is always willing to listen to the delinquent's point of view before passing judgement. He works with the school board in advising curriculum changes and recommending the re-hiring of teachers. He also tries to see that William Campbell High School has the best and most modern teaching methods and materials available.

In addition to this myriad of official duties to which he must attend, Mr. Riddle donates his time and energy to after-school activities. An enthusiastic supporter, he attends virtually all of the athletic events, both here and away.

Mr. Riddle personifies the spirit that is William Campbell High School, and perhaps more than any other one individual, he helps make WCHS.

Mail must be placed in the teacher's boxes each morning. You will find Mr. Riddle at school early each morning doing just that.

Students always look forward to the senior year and Government 12.

A familiar sight every day is Mr. Booth checking the cars on campus.

MR. BOOTH HAS MANY TASKS

Mr. Booth is the man we see if we have done something wrong. If we admit our wrong doing, no one could be more polite and helpful even if he does have to punish us; however, he can be justifiably difficult if the circumstances call for it. Throughout the year it is Mr. Booth's voice we hear broadcasting every football game that WCHS plays. He is very interested in radio and has recently organized a Broadcast Club which enables the students to report the news of the school to the community. In addition to all of his duties as Assistant Principal, he teaches three government classes. Mr. Booth is for WCHS all the way!

GUIDANCE IS CENTER OF SCHOOL

The function of the guidance department is to help every student make the best possible adjustment to school. When he enters WCHS, each student is assured of the counselor who, each year, helps him to select the subjects he needs to prepare for his future vocation as well as those required for high school graduation.

No two people this year were more concerned with the future of individual students than Mrs. Maddox and Mr. Sizemore. Mrs. Maddox worked primarily with the Pre-Freshman, Junior and Senior classes. Mr. Sizemore was concerned mainly with the Freshman and Sophomore classes.

CAROLYN M. LUSARDI

LIBRARY MAKES READING PLEASANT

The library at WCHS is one of the busiest places in the school. It is used every period of the day for studying, reading, and possibly for meeting that "special" friend.

Mrs. Lusardi has equipped the library with projectors, film strips, etc., for the convenience of the teachers. She also orders films through the year when they are needed. Students will find a variety of reference books and books to just read and enjoy. Mrs. Lusardi is always available to assist the students in their research work and selection of the proper book for that book report.

The library is a pleasant place to visit. It is always very attractively arranged. The bulletin boards prepared by Mrs. Lusardi are always a highlight of the school year.

CLASSES

WHAT MAKES WCHS?

"Don't be dense. Without students you don't have a school, period. The people at WCHS are special, though, because we know them and they are our friends. Pretty generally the students are an alert and energetic bunch. You see them everywhere, and they are talking, making new friends, reading, and working problems--really learning."

JUNIOR CLASS

OFFICERS

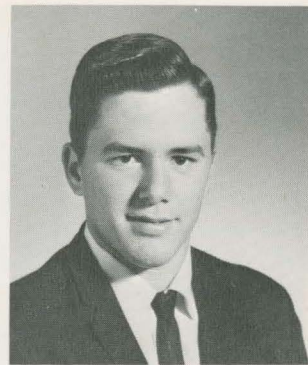

Beth Herndon, President; Jo Ann Scott, Secretary; Janice Holland, Treasurer; Pam Mayberry, Girls' Recreation Chairman; Mahlon Poindexter, Vice President; Dennis Walker, Reporter.

Gleaming with their past successes and anticipating the festivities of the future, the Class of '70 embarked upon an exciting and eventful year. Tumbling in with the fall season, the P.S.A.T., Merit Scholarship, and the College Boards were a step toward academic achievement.

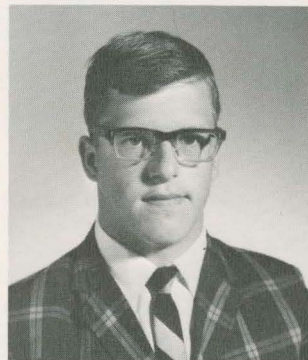

Ordering class rings was a confused, exciting event for the juniors. The choice of stones was so large that it

made a decision difficult. Everyone finally decided on his favorite and the orders were sent off. They arrived in the Spring, and each proud junior showed his ring to one and all.

As the year drew to a close, the Class of '70 reluctantly left behind their Junior ways and turned toward a promising Senior year.

ACTIVITIES

WHAT MAKES WCHS?

"I guess I'd have to say something about the activities you take part in. You know, like the clubs you belong to and the projects they have. If you belong to a club you're with a lot of kids who like the same things you do, and that way you get to know people and you make a lot of friends."

GIRL ELECTED PRESIDENT!

DEE DEE LUSARDI, PRESIDENT

The SCA was responsible for many of the events that took place during the school year at WCHS.

The annual magazine drive proved to be somewhat of a disappointment this year. The students sold a total of only \$545.20 worth of magazines in all.

For the first time in WC's history, handbooks entitled the "Little General" were published. Work on the handbooks started during the summer months and

The magazine drive was held solely by the students.

The "Little General" handbook was very helpful to the students of W.C.

continued through the month of October. The sale of the Little General was a big success. The handbook included information of the students such as locker numbers, telephone numbers, addresses, and schedule of classes.

Dee Dee Lusardi was elected President of the SCA for the school year of 1968-1969. Dee Dee is the first girl president since the school year of 1952-1953.

The Beta Club at WCHS consists of a group of well-organized students. These students are the best at William Campbell scholastically. To be a member you have to maintain a 3.5 average through the tenth grade. The club also has a few activities. There is usually an annual Beta-Faculty basketball game and an annual convention. For a money-making project, the members sell candy ordered through the club. The money earned is used to present a \$100 scholarship to a deserving senior.

The aim of the Future Teachers Club is to acquaint prospective teachers with some of the responsibilities of a teacher through experience in assisting teachers through programs and other activities.

The club has a point system whereby members may win special awards and recognition. A scholarship is given each year to further the education of a future teacher.

Every year the club has an initiation for its new members. This year they dressed as teachers of by-gone years. There was a prize for the one dressed most effectively. Debbie Conner was the winner.

Three members of the club and the sponsor attend the FTA convention in Roanoke each year. When they get back, they report to the club all the activities that went on at the convention.

Here are some of our eighth graders as they looked on their first visit to WCHS.

This was the usual scene as the staff prepared to sell the finished products.

Sue Mitchell, Co-Editor; Rachel Conner, Assistant Editor; and Betty Sue Sowell, Co-Editor worked hard to plan the lay-outs for THE GENERAL.

YEAR OF CHANGE FOR GENERAL

Paul Powers and Ray Mitchell, Circulation Managers, were kept busy writing receipts for annuals that were sold.

Advertisement Editors, Janet Riddlebarger and Della Sue Morris enjoyed cutting ads out of annuals to use on lay-out sheets.

THE GENERAL staff worked hard to make the yearbook the best possible. This required much work; but, although the work was often hectic, it was always done in time to meet the deadlines. The climax came when the copies of the 1969 GENERAL finally arrived in the Spring.

Norma Stevens, Terri Banton and Karen Wade, Picture Editors, checked to be sure the pictures matched the names.

Picture Editors, Bonnie Sowell, Donna Flynn and Danny Williams arranged each class in alphabetical order.

BROADCAST CLUB IS NEW AT WC

Ruth Fisher, Bill Elder, Debbie Yount, and Norma Austin are instrumental in the taping of programs.

The Broadcast Club is new at William Campbell this year. It is sponsored by Mr. Kenneth Booth.

William Campbell is one of the smallest schools to have a club of this type, but it has local facilities of WODI.

The main purpose of this club is to present WC's inside news to the public regularly.

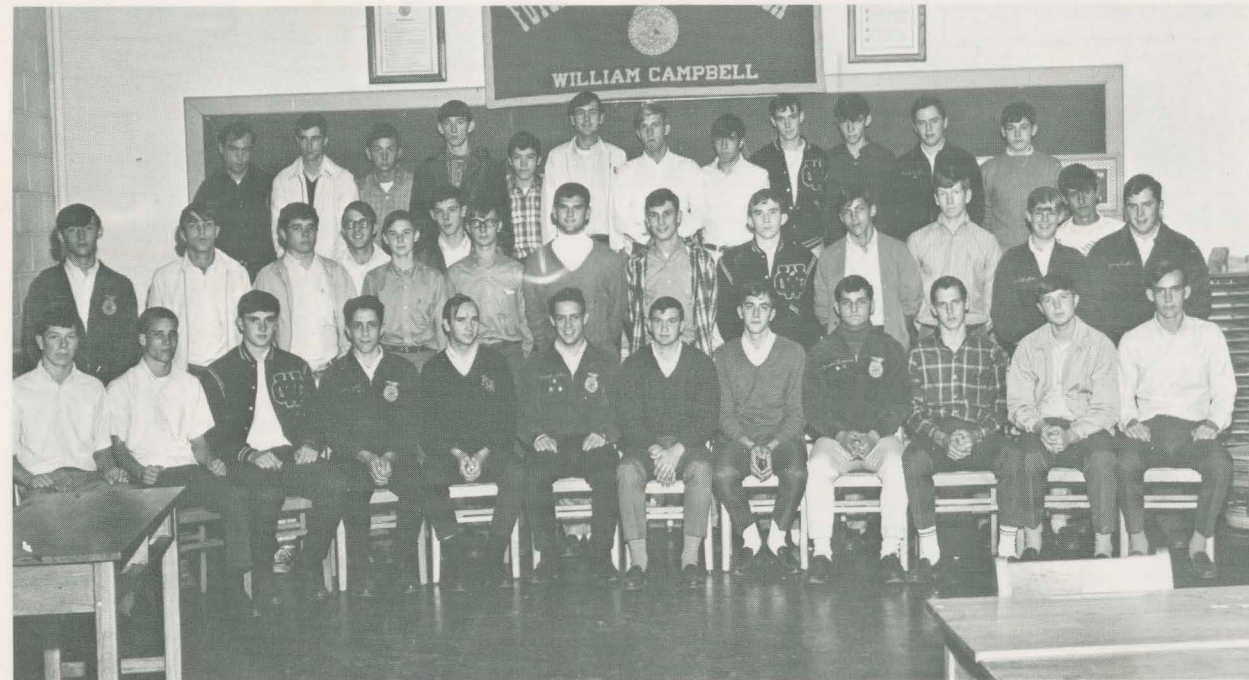

Since this organization is to operate closely like that of the newspaper and annual staff, its membership is limited. The members are to come from the upper grades of high school. The club meets weekly rather than monthly.

The Broadcast Club's programs can be heard every Sunday at 3 p.m. over WODI.

The club is dedicated to promoting good sportsmanship in all phases of the school life. WHAT MAKES WCHS?

"The fun things. You always remember the things you enjoy. There's the Musical and the way everybody looks forward to it, the dances, and the pep rallies. They're not educational exactly—'extra-curricular,' as the teachers say—but they sure make being a part of William Campbell High School a lot of fun."

AUTUMN TREASURE IS THEME OF 1968-69 HOMECOMING

Homecoming is always a festive occasion. It was made even more enjoyable this year through the efforts of both students and faculty. For the first time in the history of WC, there was a Homecoming Parade down Main Street of Brookneal. Half-time festivities were highlighted by the performance of the band and the float bearing our Autumn Treasure—The Homecoming Queen and her court.

Dee Dee Lusardi was chosen 1968-69 Homecoming Queen. She was crowned by Mr. Dennis Riddle, Principal of WC, during half-time activities.

MISS W C IS HONOR

The Miss William Campbell Contest is an annual event at WC. It is sponsored by the FHA. Girls are judged as to looks and poise.

ELECTIONS PROVE TO BE HILARIOUS

Bonnie Jennings, Dexter Lee, Bonnie Austin, Fred Harrison, Betty Whitesell, Cynthia Burch, Richard Adams, and Cole Poindexter served on the crew for the musical.

"HALF A SIXPENCE"

Barbara Guthrie and Ben Wright pose in a typical English pub scene.

"Half a Sixpence" was presented by the students of William Campbell in the Spring of 1968. Students carried out the plot with "flying colors." The plot was: "Kipps" inherited a great deal of money. Conflict was aroused when the wealthy tried to marry him. He thought he loved Helen Walsingham but later married the servant girl.

Much work went into the sets and the English accents. The musical was a tremendous success. It proved to be a credit to the Music Department, the school, and the community.

Student Director, Kathy Daniel, and Accompanist, Ava Jane Jarvis show off one of the original sets constructed by the students.

ENGLISH ACCENTS WERE GREAT

Evie Lou DeJarnette, Mrs. Walsingham; Richard Davis, Young Walsingham; and Debbie Yount, Mrs. Botting, display costumes made by the members of the cast.

Helen Walsingham and Arthur Kipps were portrayed by Patsy Purcell and Ted Vassar.

WHAT MAKES WCHS?

"Man! Sports! You can say what you want to about book reports and geometry, but for real excitement give me an 85-yard touchdown run or a toss from midcourt that just goes swish through the basket. You can't beat the cheers of the crowd and the band playing the school song. Sports bring out the real spirit of WCHS."

WHAT MAKES WCHS?

"When you come right down to it, the things that make WCHS are the communities of Brookneal, Naruna, and Gladys. The people here are interested in their school and they show it. They have to support the school with their taxes, of course, but then they voluntarily help through things like the Boosters Club. And we couldn't publish our yearbook at all if it weren't for the solid support of the industries and businesses of these towns."

WE'RE THINKING OF YOUR FUTURE
(And Ours)

Eight colleges now offer degrees in Pulp and Paper Technology. You can even go the route and get a Ph. D.

Why don't you talk to the Industrial Relations people at Mead about it? They've got info on schools, requirements and even the scholarships which are available.

Exciting things are happening in the big, busy paper industry. You owe it to yourself to investigate the opportunities it offers.
